Feb. 9, 1978

Dear Harold:

Enclosed is a copy of the story on your gift to UWSP that appeared in the student newspaper on February 2. I hope my information is correct.

The response to your donation was excellent and it received quite a bit of local coverage.

Dick Gregory is speaking on campus February 15 as part of "Black Student Week". Professor Wrone and I are preparing for him and we are hoping to get an interview in order to confront him on his Commercialism, etc. I will let you know if we have any luck.

Thanks and take care,

George Leopold
